CLIENTS

Companies we have been working with

Over the period of 2 years, we have been providing services to companies from 3 continents across a dozen countries

1 Patient Care

Running successfully in Namibia, PatientCare is a mobile application that allows patients to make call with the doctors through the platform and after the consultation, the doctor can prescribe medicines / drugs which can be brought from the pharmacies listed in the platform. The riders associated with PatientCare will deliver this to the patient home.

3 PointPressure

Point Pressure (Sura Connect) is a clinical mobile application which can control Bluetooth enabled devices that will be used by the patients of muscle issues. Mobile application controls the devices and heals it. This platform is completely developed by us and is one of the leading Medical Startup of Spain (Europe)

3 GDEX India

GDEX India is the largest digital asset marketplace where anyone can buy digital commodities like silver, gold in any amount and at any price. We have developed every bit of technology involved in this platform.

4 Nikkle

Also a product from Namibia, A complete Enterprise Resource Planning software that can handle the capacity of accounting, human resources management, task allocations, invoicing and Point of Sales.

CLIENTS

Companies we have been working with

Over the period of 2 years, we have been providing services to companies from 3 continents across a dozen countries

5

5K Treks Private Limited

5K Treks is the trekking company from Nepal that allows tourists to book destinations through their platform.

6

Expert Business Private Limited

Companies that provide all the services like accounting, taxation, human resources, company registrations in Nepal.

7

Nikkle Property

The platform where real estate properties will be listed and make the platform to connect property owners to the tenants.

8

Babari Cuisine

A Nepali Restarurant in USA wanted a website that does more than just showing the menu, so we gave them the feature where they can order menu online, pay online, get conformation and pick it from the restaurant. Simple but so effective.

9

Janak College

Janak College is one of the oldest colleges of Nepal, affiliated with Tribhuvan University, and offers BBS courses.

10

Mengedegna

Mengedegna is a bus ticketing system from Ethiopia, for this project, we are handling the mobile app development and web maintenance.

TESTIMONIALS

HEAR FROM OUR SATISFIED CLIENTS

Don't just take our word for it. Read what our clients have to say about their experience working with Borcelle Digital Solutions. We take pride in forging strong partnerships and delivering beyond expectations.

↗ IOT DEVICE & MOBILE APP

Point Pressure

Parikshit Verma

CTO & Co-Founder, Point Pressure

MarginTop Solutions delivered a high-quality mobile app tailored to our needs within a tight deadline. Their collaborative style and technical expertise ensured that the final product was scalable and user-friendly. We appreciate their commitment and look forward to continuing our partnership

↗ TELEHEALTH SERVICE

Patientcare

Jessé Liula Schiceya

CEO PatientCare / Nikkle

MarginTop Solutions delivered an exceptional healthcare app that perfectly meets the needs of our community in Namibia. Their team demonstrated deep technical expertise and cultural sensitivity throughout the development process. Despite the challenges of working across continents, they maintained excellent communication and delivered the project on time. The app has significantly improved patient engagement and streamlined healthcare services. We are grateful for their professionalism and look forward to future collaborations

PRECIOUS METAL TRADING PLATFORM

GDEX India

Shantanu Kalia

CTO & Co-Founder, Point Pressure

We had the opportunity to work with MarginTop Solutions on a real-world financial application, and I must say, they've been extremely cooperative and committed throughout the journey. While it was their first time handling a project in this domain, they took the time to understand our requirements in depth and ultimately delivered the product and services as expected.

5K TREKS PVT LTD

5k Treks

Rupak Prasain

MD 5K Treks Pvt Ltd

MarginTop Solutions created a stunning and user-friendly website for our trekking business that truly captures the spirit of Nepal's mountains. Their team was professional, attentive, and delivered the project on time. Since launching the site, we have seen a noticeable increase in inquiries and bookings. We highly recommend MarginTop Solutions for anyone looking to grow their travel business online
